

JEFFERSON ST ROADWAY IMPROVEMENTS

CONSTRUCTION ADVISORY

Week of: Monday July 12, 2010 – Sunday July 18, 2010

Jobsite Location: 14th Ave. S.E. and Jefferson St. S.E.

Project Standard Work Hours: 7:00 a.m. – 5:30 p.m.

****STREET CLOSURES / IMPACTS UPDATE – JULY 14, 2010:****

- **Jefferson Street SE will be temporarily re-opened Saturday July 17th from 8:00 AM to Sunday July 18th 8:00 AM for south capitol neighborhood local traffic and emergency vehicles during the Lakefair parade activities.**
- **During this time, two traffic lanes will be provided, Jefferson Street will be open for vehicle traffic only, sidewalks will remain closed to pedestrians.**
- **Construction crews will be working Saturday and Sunday to set-up and remove traffic control measures.**

Major Work Activities This Week:

- Work for installation of underground power, data and communication lines will continue. ***Please note:** Steel plates will likely be placed in the roadway as this work progresses in stages, vehicle and bicycle traffic are reminded to please be aware of changed road conditions and slow down while driving thru construction zones.*
- Demolition/ excavation for utility trenches and installation of vaults will predominately occur on the south side of North 14th Avenue S.E. and at the northeast corner of the intersection of North 14th Avenue S.E. and Jefferson Street S.E.
- Trenching and installation of conduit for data and communication lines will predominately occur on the north and west sides at the intersection of 14th Avenue S.E. and Jefferson Street S.E.

Non-Standard Work Hours and Activities:

- Ongoing work for installation of underground power, data and communication lines will likely occur on Saturday, July 17th, depending on the weather.

Street Closures / Impacts:

- Jefferson Street traffic lanes and sidewalks between 16th Avenue and 14th Avenue will remain closed until the completion of the round-about construction and Jefferson Street improvements currently scheduled to be in mid December 2010.
 - Signed detours remain in place for vehicle as well as bicycle traffic; bicyclists should continue to note that bicycle traffic is not permitted in the 14th Avenue tunnel.
 - Select “No Parking” signs remain in place at Maple Park Drive S.E. and Jefferson Street S.E. to safely provide adequate room for buses to make required u-turns during the closure of Jefferson St. SE.
- **Local traffic only will be able to access North 14th Avenue S.E. between Jefferson Street S.E. and Cherry Street S.E. during underground utility conversions. North 14th Avenue S.E. between Jefferson Street S.E. and Cherry Street S.E. will be closed to all other vehicle, bicycle and pedestrian traffic until the complete of the underground utility conversions and associated street improvements.**
- The intersection of 14th Ave S.E. and Jefferson St S.E. will continue to be controlled by a traffic control officer or set to a flashing mode as necessary during construction activities to help facilitate the flow of vehicle, bicycle and pedestrian traffic. Traffic will be stopped intermittently during work in the roadway. Pedestrians will continue to be flagged through the intersection during construction; bicyclists will be flagged when using crosswalks.
- **All vehicle, bicycle and pedestrian traffic are reminded to please watch and obey traffic control officers and flaggers.**

NOTES

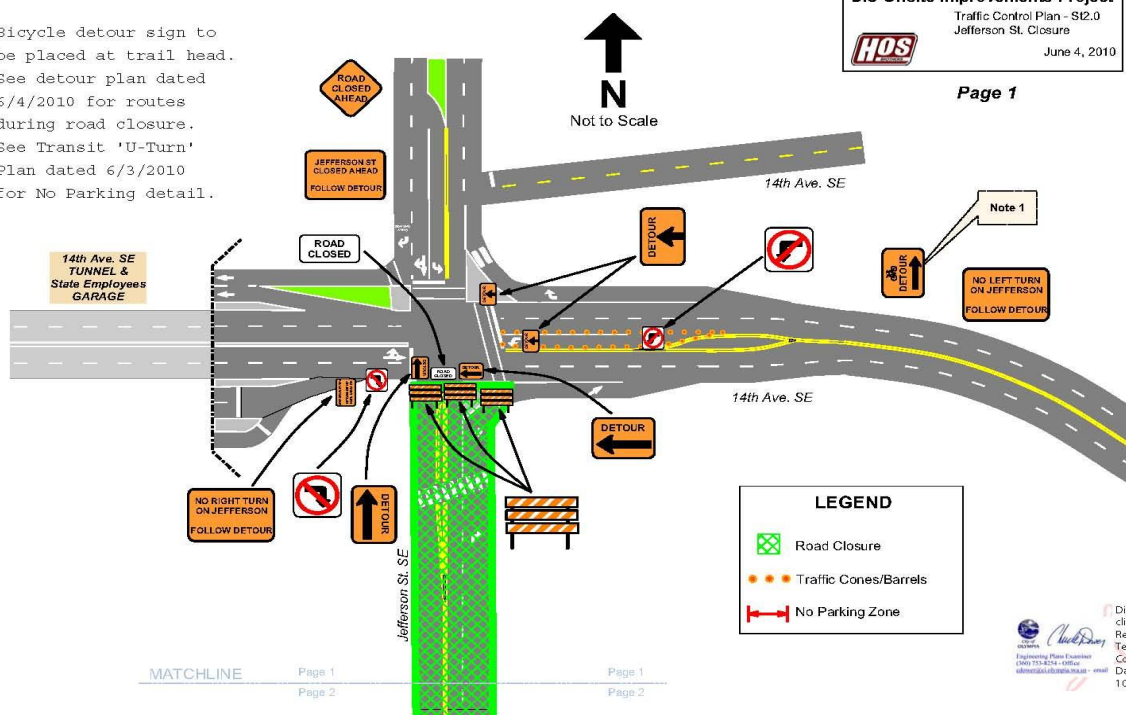

1. Bicycle detour sign to be placed at trail head.
2. See detour plan dated 6/4/2010 for routes during road closure.
3. See Transit 'U-Turn' Plan dated 6/3/2010 for No Parking detail.
